

Mua Hills Getaway stands as a distinctive retreat nestled on a private farm in Mua Hills, Machakos County; with a firm commitment to preserving the local heritage. Taking inspiration from the tranquil ambiance of Nairobi's Fair Acres Boutique Hotel, the concept revolves around crafting a warm and welcoming farm-stay experience for cherished guests, that creates fond memories.

The facility comprises 13 rooms, accommodating either 13 singles or 26 doubles, a conference room for 20 individuals, an indoor and outdoor farm-to-table restaurant, a swimming pool, awe-inspiring views, and guided nature walks.
